Please read, fill out and sign all forms.

DO NOT DATE. Bring completed forms with you the day of procedure.

Questions will be answered then.

Dear Patient:

You are scheduled for an appointment at the EndoCentre. We ask that you arrive **30 minutes prior** to your scheduled time.

Unless your physician has told you otherwise, you will be receiving **Anesthesia** for your procedure.

YOU MUST HAVE A RESPONSIBLE ADULT WITH YOU, TO DRIVE AND ESCORT YOU HOME, following the procedure. Your responsible adult must come into the Suite to sign a paper before you will be released for discharge.

PRE-ADMISSION TESTING: If you were given pre-admission test orders by your Gastroenterologist, please take them to your Primary Care Doctor and have them fax the test results to us **as soon as possible.**

BOWEL PREPARATION: If your procedure requires **bowel preparation**, you have received those instructions from your physician or his/her secretary. It is very important that you follow the bowel prep instructions as directed. If you experience difficulty with the prep or have any questions, you must contact the physician's office.

MEDICATIONS:

- **Aspirin and Blood Thinners must be stopped 5 days prior to your procedure**, unless you received other instructions from your Primary Care Physician.
- Take **blood pressure, heart or seizure medication** on the morning of your procedure with a **small sip of water.**
- If you use an inhaler for Asthma, **please bring it with you.**
- If you take **Insulin or Oral Diabetic Medication**, please follow your Primary Care Physician's directions.
- **Diabetic** patients that take **Insulin**, please **test your blood sugar at home on the morning of your procedure.** If your reading is not within your normal range, *please notify your primary care physician. If that office is not yet open, please use their answering service or the "on call" physician.*

INSURANCE INFORMATION: We recommend that you contact your insurance company to see if there is anything special that needs to be addressed by our office. Managed Care patients may need a referral from your Primary Care Physician for the procedure. **BRING ALL INSURANCE CARDS WITH YOU.** We will need to copy them at the EndoCentre.

ADVANCE DIRECTIVES: If you have **Advance Directives**, please bring a copy with you. It is our policy, in the event of an emergency situation, to transport you to the nearest hospital. Your copy of Advance Directives, if available, will be sent to the hospital and will be honored there.

We look forward to seeing you. If you have any questions, please contact your Gastroenterologist's office.
Thank You.

Sincerely,

The EndoCentre Staff
